

Women in AI Awards Now Open

The WAI Awards 2021 - Australia and New Zealand are now **open for entry**.

With [11 categories](#) of entry covering technologies in Artificial Intelligence, the awards are open to female entrepreneurs in the AI field based in Australia or New Zealand; in an early stage startup that is founded or co-founded by a woman. To enter, visit the page.

The awards will be presented on February 23rd, 2021 at Sydney's Museum of Contemporary Art; and will be hosted by award winning STEM Journalist and NITV Science & Technology Editor [Rae Johnston](#):

"When the teams of people behind the Artificial Intelligence that impacts on all of our lives are diversified, we can ensure the technology is not only more beneficial but less discriminatory. I'm thrilled to be hosting the Women in AI Awards, an event created to honour those who are leading the way, making sure the present and future of AI is ethical and inclusive."

Industry Awards & \$20,000 Prizemoney

Covering Health, Mining, Law, Finance, Agribusiness, Cyber Security, Education, Defence, Infrastructure, Manufacturing and Innovation, the awards are open to entry to Australian and New Zealand female entrepreneurs in the AI field who have founded or co-founded a company, and who have a a working product. The company must be younger than five years old, and have raised less than \$5 million.

In addition to the Industry Awards, \$20,000 prize money is to be shared amongst the winner and runners up of the Grand Award: Australia-New Zealand WAI Entrepreneur of the Year.

About the Women in AI Awards

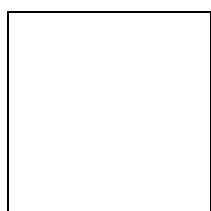

Women in AI is a global network of female experts and professionals working in AI, aiming to make the sector more gender-inclusive and to educate the next generation of female entrepreneurs. Australia will be the first country outside of Europe to hold the awards, which showcase the greatest talent in the AI sector.

For more detail, or to enter the Awards, visit www.WAIAwards2021.com.
